To Whom it May Concern.

My child's name is _____, he/she is a student attending _____ within the _____ School District. And by the authority given to me under Arizona's Parent Bill of Rights, Title 15-102 - Parental involvement in the school, Arizona House Bill 2906 and Arizona Revised Statute 36-1301 and 13-3056, I hereby notify you of the following:

Under no circumstances other than an immediate life-threatening injury, are you to provide any medical attention, medical treatment, medical testing, or provide medical advice to my child without the presence of myself, my spouse _____, or our attorney.

Under no circumstances will you speak, reprimand, or advise my child while alone with any adult, no matter who they are; medical professional, teacher or any other public or private entity without the presence of myself, my spouse _____, or our attorney.

Under no circumstances are you to demand, inquire or ask my child to fill out a form or respond to questions, written, orally or digitally about his/her/their physical or mental health choices, political choices, gender choices, doctors' information, or insurance information without the presence of myself, my spouse _____, or our attorney.

Under no circumstance are you to evaluate or test or inquire my child's mental health, either by a teacher or mental health professional without the presence of myself, my spouse _____, or our attorney.

Under no circumstances are you to teach, advocate or supply lesson plans either online, hardcopy, pamphlets or flyers that include Critical Race Theory, Social and Emotional Learning or any other Race Equity teachings without my written consent or the presence of myself, my spouse _____, or our attorney.

Under no circumstances will my child be given a survey, either verbally, online or hard copy, that asks any personal questions without my written consent or the presence of myself, my spouse _____, or our attorney.

Under no circumstances are you to teach, advocate or supply lesson plans either online, hardcopy, pamphlets or flyers that ask, discuss or present Gender, LGBTQ, Sexual Orientation, Preferred Pronouns Masturbation, or Sexual Arousal without my written consent or the presence of myself, my spouse _____, or our attorney.

Ensure that this document is available under his/her student profile to advise all those that coordinate, associate, or have access to my child's school's record.

Sincerely yours,
